

UNDERGRADUATE SEMESTER COURSE LOAD WAIVER
NORTH CAROLINA STATE UNIVERSITY
Department of Registration & Records
1000 Harris Hall

The Course Load Regulation was established in 1984 and can be reviewed at the University's Policies, Rules & Regulations website. Undergraduate students who want to register for more than 18 hours in the Fall/Spring semester must have their adviser complete this Course Load Waiver form and return it to Registration & Records. Students who want to register for more than 21 hours in a Fall/Spring semester must complete a Schedule Revision form.

During Summer Sessions, undergraduate students must complete a Schedule Revision form to exceed maximum hours allowed.

Graduate students must complete a Schedule Revision Form in order to exceed maximum hours, regardless of the semester.
